PROFILE SUMMARY

Meta Certified Digital Marketer with hands-on experience in digital media planning, paid media optimization, performance marketing, and campaign reporting across global FMCG brands under Team Unilever at Mindshare, part of WPP Media, overseeing high-value monthly media investments across Meta, Google, TikTok, and other non-biddable digital channels. Combines strategic thinking with data-driven execution to deliver measurable ROI and meaningful brand engagement. Holds extensive platform certifications across Meta and Google, underpinned by a strong academic foundation in marketing. Seeking a Senior Digital Marketing role, where agency experience, platform expertise, and consumer-focused strategy can support measurable brand growth.

CORE COMPETENCIES

Digital Media Buying & Optimization	Marketing Campaign Strategy Development	Campaign Planning & Execution
Paid Media Strategy	Social Media Strategy & Analytics	Brand Communication & Positioning
Digital Media Planning	Data-Driven Reporting & Insights	Performance Marketing & ROI Analysis

PROFESSIONAL EXPERIENCE

Executive - Digital Media Planning | Mindshare (WPP Media) — Team Unilever

July 2025 – Present Brands: Personal Care Category (Signal, Closeup, Ayush Oral, Rexona and Axe)

- Media Budget Management: Manage high-value monthly digital media investments across Meta, Google, TikTok, and other non-biddable digital channels to maximise reach, engagement, and ROI.
- Campaign Planning: End-to-end planning, execution, monitoring, and optimization of digital campaigns for Unilever oral care and deodorant brands.
- Performance Optimization: Analyse campaign digital performance, identify optimization opportunities, and support improvements in cost per result.
- Stakeholder Coordination: Act as a contact between clients, creative agencies, platform representatives, and internal teams to ensure timely, brand-aligned campaign delivery.
- Integrated Media Delivery: Support alignment between traditional and digital media touchpoints to maintain consistent brand visibility across consumer channels.
- Reporting & Insights: Prepare performance reports and give actionable insights to support media decisions, campaign refinement, and future planning.

Digital Media Intern | Mindshare (WPP Media) — Team Unilever

January 2025 – July 2025

- Conversion Campaigns: Supported planning, execution, and reporting for monthly Daraz and Modern Trade conversion campaigns across Meta and Google.
- Media Planning Support: Assisted digital planners and client leads with campaign planning, platform coordination, budget tracking, and digital media plan preparation.
- Campaign Analysis: Reviewed campaign data to identify performance trends, optimization opportunities, and insights aligned with brand and conversion objectives.
- Platform Execution: Gained hands-on exposure to Meta, Google, and TikTok campaign activity within a fast-paced FMCG media environment.

Marketing Intern (Part-Time) | Generation ALPHA Pvt Ltd

November 2024 – March 2025 Remote

- Social Media Campaigns: Planned, executed, and evaluated social media marketing campaigns across Meta, LinkedIn, and TikTok.
- Content Planning: Developed content ideas-maintained platform-specific content calendars and supported consistent brand communication across digital channels.
- Audience Engagement: Assisted with community management, campaign coordination, event support, and basic market research to improve targeting and engagement.
